If this survey was not completed by the person named on the front page, who completed the survey?

What is this person's relationship to the person named on the front page?

What is the reason the person named on the front page did not complete the survey himself/herself?

This survey is part of the Medical Expenditure Panel Survey, conducted by the U.S. Public Health Service. This survey is authorized under Section 902(a) of the Public Health Service Act [42 U.S.C. 299a]. The confidentiality of personal information is protected by Federal statute, Section 903(c) and Section 308(d) of the Public Health Service Act [42 U.S.C 299a - 1(c) and 242m(d)]. This law prohibits release of personal information outside the public health agencies sponsoring the survey or their contractors without first obtaining permission from the person who gave the information. The Federal government requires that all persons asked to respond to one of its surveys be given the following information: Public reporting burden for this collection of information is estimated to average 5 minutes per interview, the estimated time required to complete the "A Survey About Your Diabetes Care." Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to:

Reports Clearance Officer Attention: PRA, United States Public Health Service Paperwork Reduction Project (0935-0098) Hubert H. Humphrey Building, Room 721-B 200 Independence Avenue, SW Washington, DC 20201
