As you know, it is important for us to get complete and accurate information of all of the family’s health care events. I’d like you to take a few minutes to look at several lists of health care providers, to be sure we haven’t missed any visits or calls, including those made just for advice, prescriptions, tests, shots, or x-rays. Please be sure to include any visits or phone calls to a health care provider that you haven’t told me about that were related to any health conditions we may have already discussed.

These next questions ask about the different medical and dental care anyone in the family has received (since (START DATE)/between (START DATE) and (END DATE)). It is sometimes hard to remember dates accurately so take your time. You might want to look at any calendar you may keep, checkbook, or receipts to help you remember. We are interested in any type of visit or call, including those made just for advice, prescriptions, tests, shots, or x-rays. Also include any visits or phone calls to a health care provider that were related to any conditions we may have already discussed.
